

Welcome Home

The Northfield is a Family Service Community. Family Service Communities are places where people come to *live*. For more than 30 years, we have been committed to building welcoming, supportive communities for the young-at-heart based on our strong commitment to the independence, safety, health and happiness of those we serve.

We do this by providing services which are innovative, inclusive and responsive to the expressed needs of our residents, enabling them to age in place with dignity.

This is the home you have been looking for — a caring, friendly community offering independent living for seniors in modern and spacious apartments, with a full array of services and amenities.

The Northfield — *this is the place you have been looking for!*

The Northfield is a wonderful option for adults age 55+ who want to enjoy comfortable, independent apartment living in a warm and caring community that is just loaded with amenities and services.

Located in a peaceful suburban setting right in between the Villages of Fairport and Penfield, The Northfield is different from many senior “supportive” living communities. The Northfield is more like... *home*.

That’s why we say... *Welcome Home to The Northfield*. Come right in and let us show you around...
